

# How do you manage your tenants certificates of insurance?

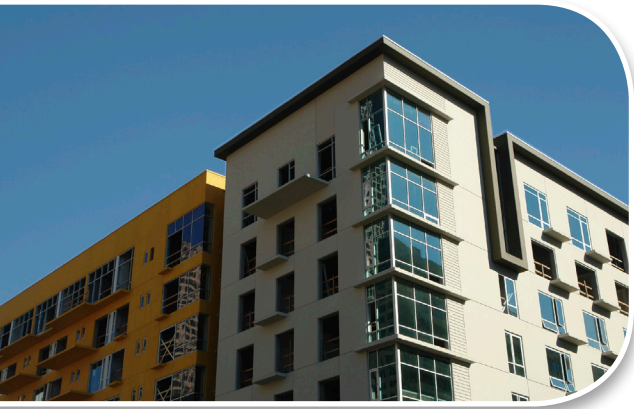

Requesting and managing Certificates of Insurance (COI) is part of every project, but it doesn't have to feel like a full-time job.

## We can help.

myCOI understands that maintaining your compliance standards has never been more important. We also realize that managing certificates from tenants and vendors can be time-consuming and inefficient for your company.

Our innovative COI program offers:

- A fully automated solution
- Increased liability awareness, leading to reduction in claims
- Non compliant email alerts
- 24/7/365 access to your records
- Reduced paper storage
- Elimination of errors
- Greater control
- Timely response to insurance requests
- Affordable solutions
- CG-2011 Endorsement Verification
